LETTER OF NO OBJECTION

Subject: Fuel additive

Brand: Green Plus

Dear Sir,

The information submitted to us of the above mentioned Green Plus fuel additive has been evaluated by Wärtsilä Engine Division. In consideration of the information you have disclosed to us concerning the composition and properties of this product, we have no objection to the use of this fuel additive in the following engine types:

Wärtsilä® 200, 20, 26, 32, 38, 46, 64, Vasa 22, 22/26, 32/32LN and Sulzer ZA 40

Based on the received information supplied by Biofriendly Corporation, the question is about an ashless product, which is expected not to be harmful for an engine.

Wärtsilä Corporation does not take any responsibility for the function of the additive.

Wärtsilä Corporation disclaim any responsibility for damage or losses in case the customer uses a chemical fuel treatment during the engine warranty period.

The supplying fuel additive company undertakes all responsibility for the performance of the fuel additive in service to the exclusion of any liability of Wärtsilä Corporation.

Yours faithfully,

Wärtsilä Finland Oy
Engine Division
